

WEDNESDAY

New Pickup Procedure For 25/26 Year

Please follow arrows during pickup and be mindful not to block any streets or driveways while waiting in line.

Car Signs - It is important to leave your car sign up until your child is in the car with you. Please make sure it is visible to our teachers.

For families of Kindergartners, please park on the west side of the island and your kindergartner and any siblings will be brought out to kindergarten island.

Please exit your cars to collect your children.

Thank you for your patience and understanding as we roll out this new procedure. Our goal is to decrease the time it takes to pick up your children, while ensuring they get into your car safely.
