US History Takes the Stage	Mrs. Richardson	<p>Composition notebook Folder Pencils (24)</p> <p>Community supplies I have found it much easier to just have all supplies handy for students to use in the classroom so they do not need to have their own pencil box unless they would prefer it :)</p> <p>*When it comes time for students to create a play of their own, they will need to come up with costumes, backdrops and props. These will be whatever they chose to create and hopefully can be created using things from home or found cheaply second hand. We will have lots of time to gather and create so the cost should remain minimal.</p>
