

TSD LEAP School Curriculum List

Updated for the 2024/2025 School Year

ALL CURRICULUM IS AVAILABLE ON A FIRST COME FIRST SERVED BASIS.

Only one title of curriculum is allowed per Subject/per Student with exceptions being one per the Sub-headings in Language Arts (to cover all curricula if the program is not all inclusive)

(Max 6 subjects per student)

When you place your order, specify a single grade, level, or course (whichever is indicated) for that subject, and you will receive the Non-consumables (check out material) associated with that curriculum (subject to what is available on a 1st come 1st served basis). If you don't want a specific item state that, or if it directs you to specifically ask for something, then ask for it. Please see the following legend for clarity on some of the general Materials and their abbreviations.

Teachers Edition (TE): Accompanying guide for Teacher use.

Student Text (ST): non-consumable for student use

Student Workbook (Wbk): generally a consumable for student use, made available for purchase if available

Manipulatives: hands-on teaching aid available for Saxon Math or Math U See. Available upon request.

Solution Manuals: For many of our Math programs, a manual that shows how problems are solved. Answer keys generally only show the end result.

The prices listed are for items that may be checked out and represent the replacement costs for those items if they are damaged or lost.

Language Arts

Complete Curriculum

Sing, Spell, Read and Write

Grade Level K-1

By Pearson Learning

Note: K-1 comes as a combo kit – see special ordering notes.

<https://www.songsthatteachus.com/academic-programs/sing-spell-read-write>

Uses phonics songs, interactive charts, and games to teach the alphabetic principle, phonemic awareness, sound/letter correspondence, short vowel sounds, and blending - in a fun and meaningful way. Covers all aspects of language arts for K-2.

NOTE: For Grades K-1—specify K or 1st grade. We dispense one year at a time. The blue box of curriculum will have items used for both yrs—refer to inventory list inside Blue box for clarification.

Grammar

Holt Elements of Language

Grade Level 6-12

By Holt

<https://mediaeducationlab.com/elements-language>

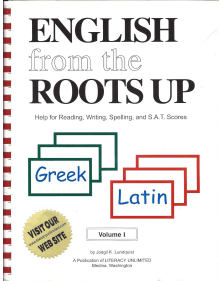

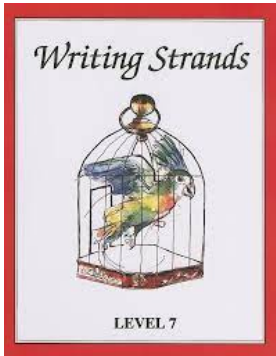

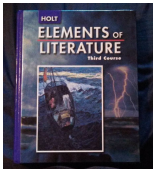

Holt Elements of Language helps students learn core grammar, usage, and mechanics skills by providing guided instruction, practice, and reinforcement. Chapter Tests for each chapter of the student textbook from the Holt Elements of Language curriculum are available separately in Standardized Test formats. At every level of this curriculum, the student textbook includes communication chapters, which pair reading

and writing workshops to maximize 'students' understanding of these reciprocal skills.

Singapore Math

Grades K-6

by Federal Publications

NOTE: no math manipulatives available with this curriculum

Textbooks lead the student from the vocabulary of counting, shape, and position, through word/story problems to the beginnings of Algebra & Geometry. Includes exercises in the text to supply model

explanations of new topics as they come up. Each new topic becomes enriched by new connections with other parts of mathematics/applications of greater difficulty. Features of Singapore Math:

- mathematic framework that places problem solving at the center of the framework.

- mathematical focus at each grade level enables progress at a faster pace at the next level.

- consistent use of pictorial bar or strip model to provide structure that enables students to think symbolically and solve difficult math problems.

- multi-step problems that utilize a range of skills and concepts to arrive at a solution.
